Unique Partnership Brings Next Generation Valet Car Care to John Glenn Columbus International Airport

Partner Vohnt provides “Valet Car Care While You Travel” Service

Columbus, OH September 6, 2022 -- John Glenn Columbus International Airport (CMH) has partnered with Vohnt, an on-demand valet car service and start-up, to provide Valet Car Care While You Travel. A key addition as the airport continues to lead the way in providing traveler amenities and experiences.

Launching in September of 2022, Vohnt’s services will allow travelers who park in the main parking garage to have their vehicles detailed and serviced while they travel.

“Vohnt’s valet car care service at John Glenn International provides yet another way for passengers to elevate their air travel experience,” said Joseph R. Nardone, President & CEO for the Columbus Regional Airport Authority. “We’re pleased to introduce this new service for those looking to make the most of their next trip.”

How it Works

Travelers can book their service at vohnt.com prior to arriving at the airport or book on-site at the staffed Vohnt Kiosk located in the Walkway To Terminal attached to the parking garage. Once serviced, vehicles are available for pick-up in Vohnt’s VIP parking located on the fourth floor next to short-term parking. Upon the travelers’ return, a unique access code to Vohnt’s digital key locker is texted to them, allowing for frictionless 24/7 pickup. The original parking ticket will be necessary to leave the parking garage.

Vohnt’s Services Include:

- Interior and Exterior Detail
- Oil Change with Free Filter Replacement

- Gas Top-Off
- Tire Rotations
- Wiper Blade Replacements

“Our goal at Vohnt is to make car care effortless and stress free.” said Ethan Dewhurst, Vohnt co-founder and CEO. “This collaboration with the CMH Airport will provide travelers the ability to return with their car fully serviced. It’s as easy as Book. Drop. Enjoy. Car care has never been more convenient.”

Vohnt is offering users an introductory discount of \$50 off a full detail using code: CMHLAUNCH.

Vohnt’s collaboration with the CMH Airport is the first of many medium-large market airports with which Vohnt plans to launch this amenity.

About CRAA

The [Columbus Regional Airport Authority](#) connects Ohio with the world by managing and operating passenger-focused [John Glenn Columbus International Airport \(CMH\)](#), cargo-focused [Rickenbacker International Airport \(LCK\)](#), and general aviation airport Bolton Field (TZR).
